It would also be ideal to share with another Artist couple and gives you flexibility with your meal planning as well! Also many of these condos allow for pets – just look for the paw print symbol to be certain that you can bring Fido! Some of these condos are renting for \$800 for a full week and are an excellent value!

Home Hosting

Each year LQAF asks our membership to consider "adopting an artist" during the week of Festival. If this is of interest to you, please call: (760) 564-1244 x112 or email: helpline@lqaf.com. Only Artists that are first time participants to Festival will be considered for the LQAF Home Host program. The first-time Artists traveling the longest distance are the first ones placed. We apologize for limiting this program to first time artists but unfortunately have found we are not able to accommodate all of the requests we receive. Thank you for understanding!
